Targeting Strategy

- **Location:** Riyadh, KSA
- **Match Types:** Exact Match and Phrase Match
- **Top keywords:** Executive leadership course riyadh, corporate training for managers
- **Negative Keywords:** -free, -jobs, -salary, -student

The Math & Funnel

- **Budget:** $1,500/month.
- **Est. CPC:** $5.00
- **Est. Clicks:** 300.
- **Conversion Rate:** 5%
- **Projected Leads:** 15.
- **Cost Per Lead (CPL):** $100.
- **The ROI: 1 sale =** $3,000. Even if 3 leads buy, that's $9,000 in revenue from a $1,500 spend**.**

Tracking & Optimization

- I would use Google Tag Manager to track the PDF brochure download as the primary conversion.
- I would set up Call Tracking to see which keywords generate the most phone calls.
- I would optimize bids towards the Exact Match keywords that drive the most CPL.
